

Visit of Dutch immigrant education teachers to Careeria

Group of Dutch teachers of immigrant training visited Careeria in Porvoo on April 8–9, 2019. The visit was yet another result of our long-term partnership with ROC de Leijgraaf of Oss, Netherlands.

On Monday, April 8 the guests were welcomed at HKK building and they got briefing about Finnish education and the new Careeria, both as a school and an education provider. Catharina Aarnio told about studies in adult oriented business and administration VET and practical learning in work places. Susan Helenius-Nieminen explained the Finnish apprenticeship process. There was a small tour in the premises of the new HKK building, including Sanne Nyholm's presentation of the Creators Lab.

On Tuesday the guests visited the preparatory training for immigrants VALMA in Ammattitie campus and with excellent hosting by Karin-Anne Jomppanen and the student group. In the afternoon, there was company visit to Tee-Tee Shop where students of Careeria do on-the-job learning.

The Dutch guests said their visit to Finland was successful and we all want to continue this good cooperation between ROC de Leijgraaf and Careeria and keep on learning from each other.
